

# ADD A NEW PERFECT PARFAIT MACHINE TODAY!

Investing in your equipment is even easier with affordable monthly payments.

## FRESH YOGURT DISPENSER

Perfect Parfait's Fresh Yogurt Dispensers are proven to deliver many benefits versus other, more conventional methods of yogurt service, such as individual serving cups; scooping from a tub or serving from a bowl on the buffet. This unique system delivers reduced labor costs; eliminates sanitation issues and pilferage, all while capitalizing on multiple day part opportunities.
